Subject: **Part 1 Application by TNW Wireless Inc. relating to wholesale roaming agreements required under Telecom Regulatory Policy 2015-177 – Requests for information – Request for further extension**

Dear Mr. Doucet,

1. We write with reference to the Commission's 13 July 2018 requests for information to TNW Wireless Inc. (TNW Wireless) and a 20 July 2018 letter extending the original deadline for TNW Wireless to file its responses to those requests by one month, to 27 August 2018 from 27 July 2018, due to resource constraints and summer vacations.

2. Unfortunately, the amended 10 September 2018 deadline for the filing of parties' supplementary comments on TNW Wireless' responses presents a similar challenge for us, also due to resource constraints and summer vacations. Most notably, our resource who has worked on this application since 3 July 2017 and who would be responsible for preparing our supplementary comments will be on summer holidays from 3 to 17 September 2018 inclusive. Accordingly, we hereby request a three week extension to the deadline for filing parties' supplementary comments on TNW Wireless' responses to requests for information to 1 October 2018 from 10 September 2018.

3. We appreciate your favourable consideration of this request and the earliest possible response to that we can plan accordingly.

Yours truly,

[Original signed by P. Gauvin]
